

#4020 — Jackson Hole Airport, Jackson, Wyo. Home
of Jackson Hole Scenic Flights. See the Tetons from the
air.

Hi. Hope you are feeling
good but now. Ken & I
hit stop at Reno. We have
had some storms to drive
in. I'm glad that is behind
us. Had a beautiful day
today. Got here about 3!
& had to stay as everyone
says the Park is closed.
I didn't want to sleep
with the bears. We did
drive up to Grand Tetons &
got lost & it was dark
before we got back. Stay
in Watertown. We
note Lib & Ken
